THE
ICON COLLECTION

True luxury doesn't ask for attention. It commands the room."

Introducing The Icon Collection-a strictly limited-edition launch engineered for the high-design home.
Soft organic curves, dual-depth motion ergonomics, and high-tactile fabrics come together in a profile that transforms any living space into an architectural statement.

YOU KNOW AN ICON THE MOMENT YOU FEEL IT.

A masterclass in organic form, tactile depth, and effortless poise.
Reserved exclusively for a select few showrooms this season.

FURNITECH®
LUXE

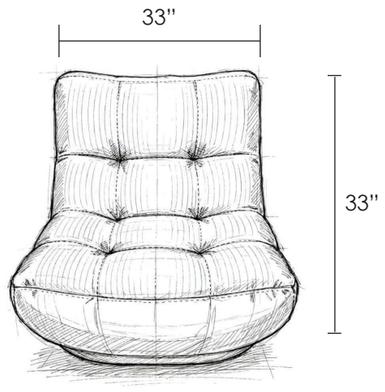

Cloud

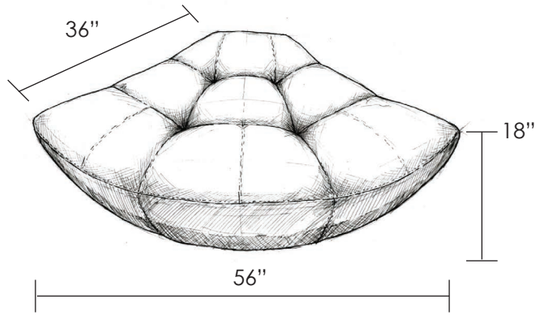

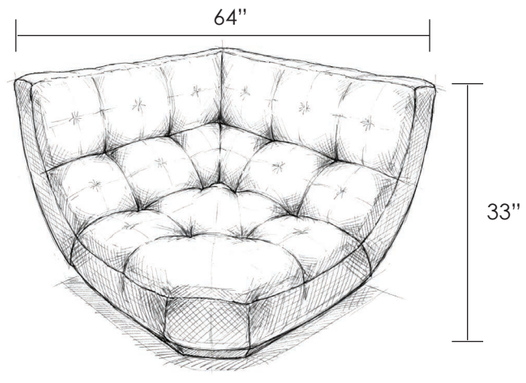

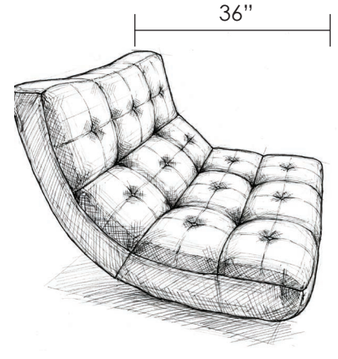

Cozy like a cloud you never want to leave,
Playful in its curves that can be a U,
an L, or six little islands. This isn't just a sofa,
it's where everyone gathers. A cozy
nest for lazy evenings, a touch of luxury for
your living room, and a playful
half-moon that loves to be rearranged.

Nest

Designed to Impress. Made for Comfort.

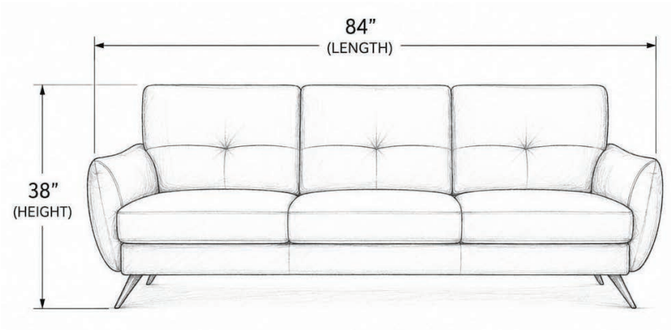

Bring timeless elegance and everyday comfort into your living space with a sofa designed to make a statement. Its soft, luxurious upholstery, generously cushioned seating, and beautifully curved armrests create an inviting look that instantly elevates the room.

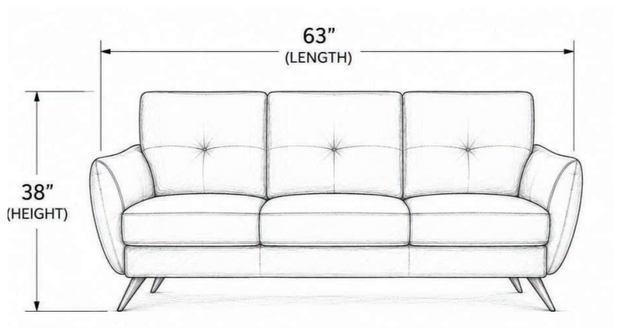

The plush back cushions provide supportive comfort, while the spacious seats give you plenty of room to relax, unwind, and spend quality time with family and friends. Refined stitching and clean contemporary lines add a premium touch, while the sleek tapered metal legs give the sofa a modern, lightweight appearance

NATURAL WOOD ELEMENTS
ADD WARMTH, CHARACTER AND A TOUCH OF NATURE.

This elegant sectional sofa combines contemporary design with refined luxury, creating a sophisticated focal point for modern interiors. Its spacious L-shaped configuration offers generous seating and a comfortable chaise for relaxed lounging. Soft, neutral upholstery and plush cushions deliver a warm, inviting feel while maintaining a premium look. Slim, dark-finished legs add a sleek visual lift and complement the sofa's clean architectural lines. Designed for both comfort and style, it effortlessly enhances upscale living spaces with timeless appeal.

PERFECTION LIES BENEATH THE SURFACE.

High-resilience progressive foam cores and heavy-gauge hybrid frames.
Precision engineering where you can’t see it, pure luxury where you can.

Urban

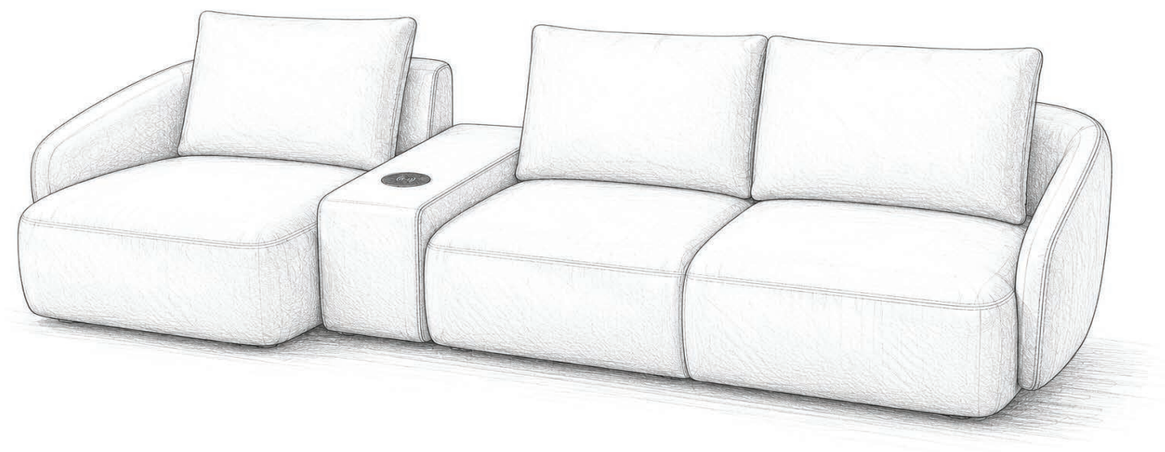

Luxury you can feel, comfort you can experience.
Wrapped in rich mustard bouclé, this sectional brings warmth and contemporary elegance to your home.

Its deep, plush seating is designed for long hours of effortless relaxation. A built-in center console combines style with convenient modern functionality. With its generous proportions and rounded design, it creates an instantly inviting statement in any room.

BEAUTIFUL FROM EVERY ANGLE. EVEN THE BACK.

Crafted with 360-degree floating geometry. Built to sit
proudly in the center of open-plan architectural living rooms.

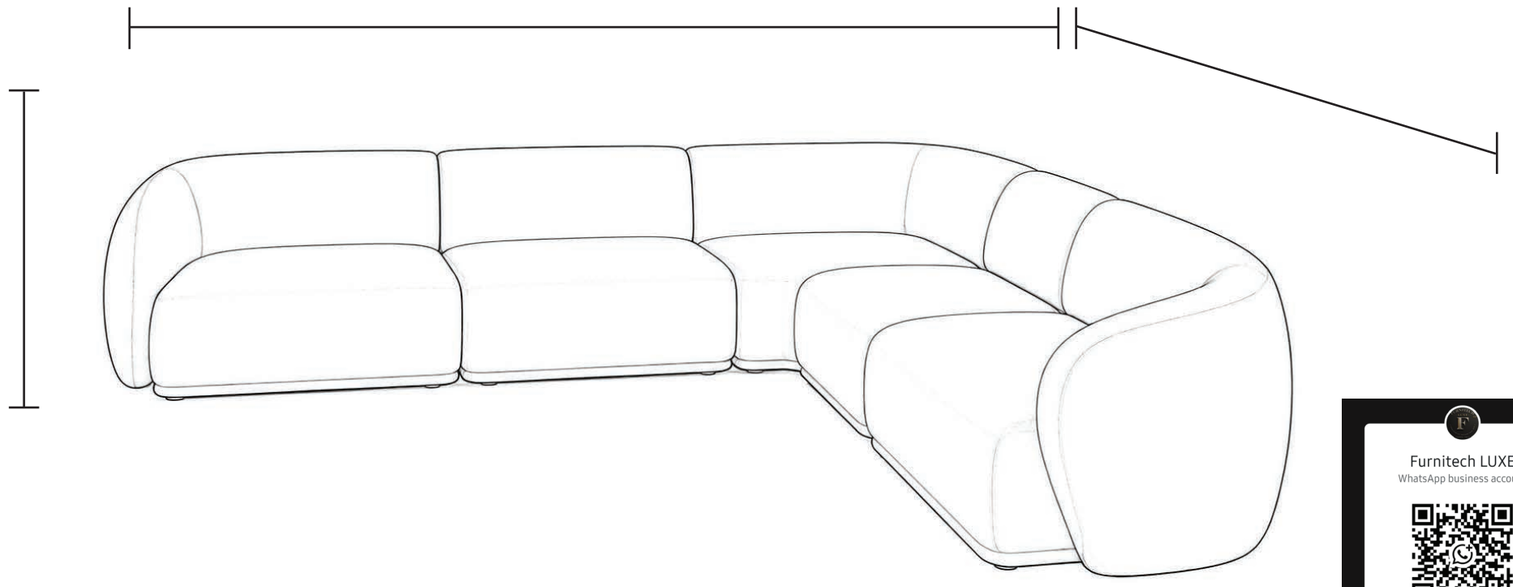

Moscow

Embrace soft minimalism with MOSCOW - a sculptural 5-seater modular sofa in premium white boucle. Featuring fluid rounded arms, deep low seating and a smart integrated side table with storage, it's designed for modern wabi-sabi living. Paired with its matching round ottoman-table, it creates a serene, architectural statement that blends comfort, functionality and timeless Japandi elegance.

ENGINEERED FOR MODERN SPACES.

Seamlessly integrated table inserts and robot-vacuum clearance heights.
Smart functionality hidden inside sleek, uncompromising design.

Miami

A stylish and versatile sofa featuring built-in storage for convenient, clutter-free living.
Its extended-back mechanism effortlessly transforms it into a deeper lounging space or a comfortable sofa bed.
Designed to combine elegance, comfort, and intelligent functionality for modern homes.

TEXTURE THAT TURNS HEADS.

High-pile loop bouclé paired with wooden curved legs.
A tactile experience engineered to outlast changing fashions.

Socar

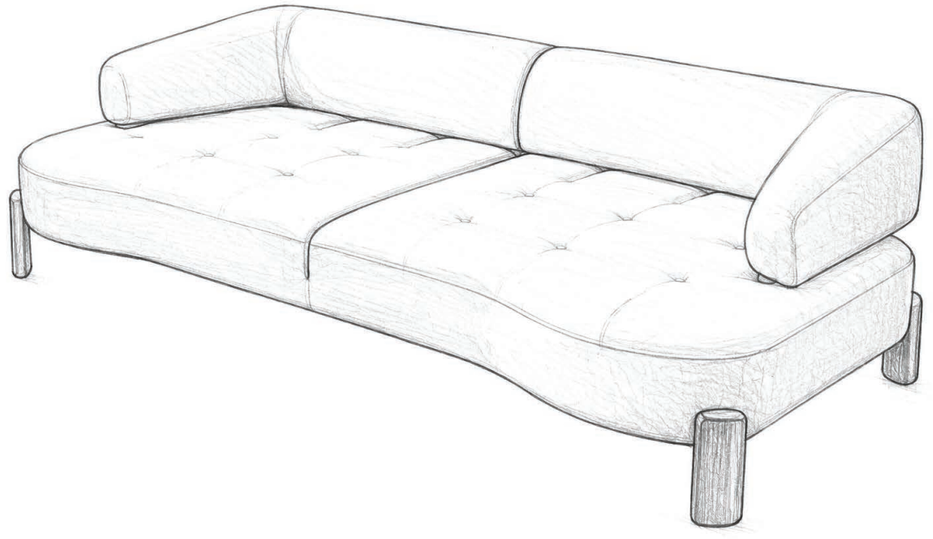

This elegant sofa combines contemporary styling with smart, space-enhancing functionality. Its clean silhouette, soft upholstery, and plush cushions create a refined yet inviting look. The innovative adjustable back mechanism allows the backrest to extend, providing additional depth and enhanced lounging comfort. Designed for versatility, it easily transforms from an upright seating position to a more relaxed, spacious configuration. A perfect blend of modern aesthetics, everyday comfort, and intelligent design for sophisticated living spaces.

LIMITED PRODUCTION. UNLIMITED DESTINATION.

Handcrafted in small, numbered batches for discerning buyers.
Once this limited edition run closes, it’s gone.

Globa

This contemporary low-profile sofa is upholstered in a textured, off-white or cream-colored fabric that radiates a warm, minimalist aesthetic. Its standout design element features sculpted, flared armrests accented by curved, exposed wooden base plates in a warm walnut finish.

The backrest is generously layered with a mix of plush square back cushions and a rectangular lumbar support pillow for enhanced comfort. Tailored detailing like vertical ribbed stitching along the outer sides completes its clean, sophisticated look.

MOOD BOARD

Soft Nature

Calm. Organic. Grounded.

Inspired by nature, designed for comfort. A serene blend of textures, warm tones, and organic elements that bring balance and beauty to your living space.

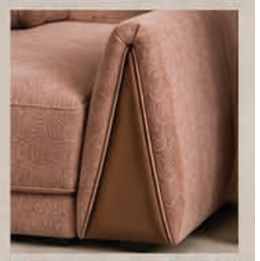

COLOR PALETTE

THE SOFA

Plush comfort with modern elegance. Crafted for relaxation, designed for everyday living.

- Deep, comfortable seating for ultimate relaxation
- Soft, supportive back cushions for lasting comfort
- Premium upholstery with refined texture
- Elegant silhouette with subtle detailing

FORM MOVES. COMFORT FOLLOWS.

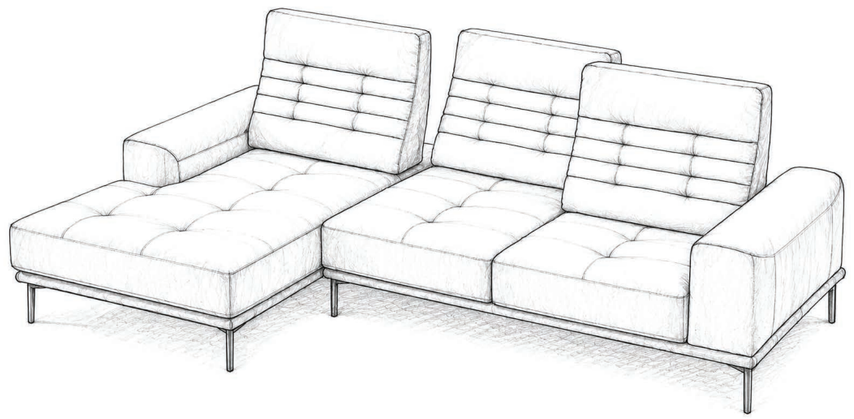

Dual-depth motion backrests that adapt seamlessly from formal conversation to deep lounge freedom at a single touch.

Fern

This modern sectional chaise sofa features a low-profile silhouette upholstered in a soft, slate-blue velvet or micro-suede fabric. The backrests display unique horizontally channeled tufting, while the deep seats showcase deep grid-button tufting for a plush, tailored texture. It is supported by a slender black metal base with thin, minimalist stiletto legs that provide an airy, floating aesthetic. The motorised backrest features individually adjustable headrests that can be raised forward to customize your neck support and comfort.

MODERN LIVING
ARCHITECTURE
MODERN LIVING

This sophisticated sofa set combines soft rounded forms with premium comfort and contemporary elegance.
The rich taupe-brown bouclé upholstery adds warmth, depth, and a luxurious tactile appeal.
Distinctive wooden arm accents complement the plush upholstery, creating a refined natural aesthetic.
Generous seating and thoughtfully styled cushions make it an inviting centerpiece for modern living spaces.

THE ICON COLLECTION, LUXURY WITH A PROMISE

Built to Be Beautiful. Engineered to Last.

Luxury should be more than what you see it should be what you can rely on every day.

The Icon Collection combines refined design, premium materials and engineered durability, backed by our **10-Year** Structural Commitment for long-term confidence and dedicated factory support.

YOUR SOFA. YOUR PROOF OF AUTHENTICITY.

Signature Furnitech LUXE Emblem: Look for the precision-etched Furnitech LUXE metal emblem, mounted directly on your sofa frame. A discreet signature of authentic craftsmanship and original design.

One Scan. Complete Support:

- Digital Warranty Verification: verify your warranty and register ownership
- Care Guides: upholstery-specific fabric & leather care instructions

CARE & WARRANTY

PROTECT THE BEAUTY. KNOW YOUR COVERAGE.

Your sofa is designed to be enjoyed for years. A little regular care helps preserve its comfort, colour, texture and original character, while our warranty provides clarity on the components built to last.

EASY CARE. LONG-LASTING BEAUTY.

FABRIC & BOUCLÉ:

Gently vacuum textured and high-pile fabrics with a soft brush attachment. Fluff and rotate loose cushions regularly for more even wear.

LEATHER

Wipe gently with a clean, dry microfiber cloth. Use a suitable leather conditioner periodically to help maintain softness and prevent drying.

PLACEMENT MATTERS

Keep your sofa away from prolonged direct sunlight and excessive heat. This helps protect upholstery colour, texture and material performance.

YOUR WARRANTY AT A GLANCE

COVERAGE	COMMITMENT
Frame & Structural Core	10 Years
Suspension System	10 Years
Core Resilience	10 Years
Motion Mechanisms & Electronics	03 Years

Covered components include: hardwood joinery, hybrid steel framework, heavy-duty steel springs, reinforced elastic webbing, motion mechanisms, articulating hinges and internal wiring, as applicable to the product.

Core Resilience: abnormal foam collapse exceeding 15% of the original density, subject to warranty terms and assessment.

WHAT YOUR WARRANTY DOES NOT COVER

To keep expectations clear, the warranty does not cover:

Normal fabric fading caused by sunlight or natural leather patina
Accidental cuts, punctures or damage from sharp objects
Damage caused by pets, including scratches, bites or clawing
Damage caused by harsh chemical cleaners or untreated liquid spills
Transit damage after third-party transportation
Damage resulting from unauthorized modifications or alterations

A SIMPLE PROMISE

Designed with intention. Built with care. Supported for the long run.

Scan. Register. Care. Enjoy.

Your Furnitech LUXE sofa is designed not just to complete your space but to remain part of it for years to come.

Warranty coverage is subject to the official Furnitech warranty terms, exclusions and product-specific conditions.
